# Connect is more than a public website

WE WANT TO EMPOWER YOU BY BRINGING YOUR OFFICE TOGETHER WITH THE COMMUNITY.

## Making Things Better

Many offices have public websites that are not user-friendly or optimized for mobile devices. Additionally, these websites do not help reduce internal workload. Connect is a solution that is easy to implement, cost-effective, and user-friendly. Moreover, Connect is accessible 24/7, serving as a virtual resource for you and your community.

## Features at a Glance

- ✓ Exemption filing
- ✓ Protest filing
- ✓ Property search & print details to PDF
- ✓ Comparable sales visualized on county map
- ✓ County maps integration with property lookup
- ✓ Census data with engaging charts
- ✓ Exchange information with the public
- ✓ Address change
- ✓ Customizable forms

### Cost Savings

With affordability in focus, Connect ensures you get the most value out of your budget.

### Branding & Name Recognition

Connect gives you the branding and facial recognition that you need. Let the community know who you are.

### Your Community

Connect your office with the public to boost customer satisfaction, strengthen relations, and create a positive impact.

### Mobile Friendly

Connect is user-friendly on any device, including desktops, laptops, tablets, and smartphones.

Connect is more than just a public website... it's your virtual office. Your journey begins here.
