

# DISCOVER HOW SIMPLE TAX LIEN INVESTING CAN BE

Say goodbye to crowded courthouses and limited local options. Investors can now research properties, bid securely, and manage their portfolios with unmatched convenience. Maximize your budget and broaden your reach in the tax lien market, accessible from countless desktops and mobile devices. Your easiest tax auction is just a click away.

## FAIR AUCTION FEES

E-Ring's Online Tax Lien Auction portal ensures that you only pay for the parcels that proceed into auction. Rest assured, canceled properties will not result in any charges for your office, making this an efficient and cost-effective solution for your online tax lien portal.

## DIGITAL CERTIFICATE DELIVERY

Tax lien certificates and other correspondence can now be delivered electronically, eliminating the need for printing, organizing, or physically sending them, which helps save on mass mailing costs.

## FULL CUSTOMER SERVICE

Our dedicated team is here to provide prompt and proactive support whenever you need it. Experience the difference that true support can make.

## INTEGRATED PAYMENTS

Seamlessly connected payment processing for faster transactions, automated record-keeping, reduced errors, and a smoother experience.

## COGNITO SECURITY

Our portal utilizes Amazon's latest security technology with federated identity capabilities, connecting one's digital identity across multiple platforms.

Call or visit online to learn how E-Ring's Online Tax Lien Auction portal can assist your office and benefit your community. Don't miss this opportunity!
